

Offer your customers more colors

Hostaform®/Celcon® M25 Extrusion-Grade Colors

Don't limit yourself to just a few colors. Ticona has the widest option of extrusion-grade polymers and all are FDA compliant. If you don't see what you need, custom colors are available.

Customers need to confirm exact color matches by viewing actual color samples. The colors as printed in this sell sheet are representative only, and cannot be used as actual color samples for production purposes.

World-Class Engineering Polymers

- Celanex® thermoplastic polyester (PBT)
- Hostaform® and Celcon® acetal copolymer (POM)
- Celstran®, Compel® and Factor® long fiber reinforced thermoplastic (LFRT)
- Celstran® continuous fiber reinforced thermoplastic (CFR-TP)
- Fortron® polyphenylene sulfide (PPS)
- GUR® ultra-high molecular weight polyethylene (UHMW-PE)
- Impet® thermoplastic polyester (PET)
- Riteflex® thermoplastic polyester elastomer (TPC-ET)
- Thermx® polycyclohexylene-dimethylene terephthalate (PCT)
- Vandar® thermoplastic polyester alloy (PBT)
- Vectra® and Zenite® liquid crystal polymer (LCP)

NOTICE TO USERS: To the best of our knowledge, the information contained in this publication is accurate; however, we do not assume any liability whatsoever for the accuracy and completeness of such information. Any values shown are based on testing of laboratory test specimens and represent data that fall within the standard range of properties for natural material. Colorants or other additives may cause significant variations in data values. Any determination of the suitability of this material for any use contemplated by the users and the manner of such use is the sole responsibility of the users, who must assure themselves that the material subsequently processed meets the needs of their particular product or use, and part design for any use contemplated by the user is the sole responsibility of the user. The user must verify that the material, as subsequently processed, meets the requirements of the particular product or use. It is the sole responsibility of the users to investigate whether any existing patents are infringed by the use of the materials mentioned in this publication.

Please consult the nearest Ticona Sales Office, or call the numbers listed above for additional technical information. Call Customer Services for the appropriate Materials Safety Data Sheets (MSDS) before attempting to process our products. Ticona engineering polymers are not intended for use in medical or dental implants.

Except as otherwise noted, all of the trademarks referenced herein are owned by Ticona or its affiliates. Fortron is a registered trademark of Fortron Industries LLC.
